The Gratitude of the One
Luke 17:11-19

1. **The Condition of the Men (v. 11-13)**

- Diseased
- Disconnected
- Doomed

Gratitude begins with acknowledging our need for God's mercy.

2. **The Compassion of the Master (v. 14)**

- He Saw Them: He never ignores the broken.
- He Healed Them: Go show yourselves to the Priests.

As they went, they were cleansed. He gave them a command that required faith.

Gratitude begins with acknowledging who is the source of our blessings.

3. **The Conversion of the One (v. 15-19)**

- He returned loudly, humbly, and personally.

Gratitude begins with awareness—recognizing the true God and His work.

Note: All ten were healed physically, but only one was healed spiritually.

Lord, by Your grace, make us like the Samaritan who returned in gratitude and worship.
