

The School of Disciple Making: Colossians 1:28-29

Disciple Making happens best in the context of Relationships!

1. The System of Disciple Making

- Proclaiming—So that seekers can be saved.
- Warning—So that believers can grow in the grace of the Lord!
- Teaching—So that believers can grow in the knowledge of the Lord.

In the Greek text, the verb tense for proclaim, admonish, and teach are not one - time acts.

How? In All Wisdom. True wisdom from God is always practical and leads to holy living.

2. The Scope of Disciple Making

- To Present Every Man, Woman, Boy and Girl Perfect (Mature/Complete) in Christ!

to *become* "in practice" what they already *are* "in position"

3. The Skills of Disciple Making

- To this end I also labor, striving according to His working which works in me mightily.

The word striving means that we are to make great efforts and to fight vigorously.

A **Disciple Making Church** makes great efforts in the skills of witnessing, establishing, training, equipping, and supporting members to take their next step in their Disciple Making journey.

- How can we encourage people to take the next step in their spiritual journey?
- How can we improve our current programs to help members become growing followers of Christ?
- What additional strategies would you suggest?
